**Night Work on NE Winchester Street Starting October 4.**

Roseburg OR – City contractors will be performing night work on NE Winchester Street starting on Sunday, October 4, 2020, through Tuesday, October 6, 2020. During this time, contractors will begin paving the street, which will extend its useful life and provide a smooth surface for traveling.

From 7 p.m. to 7 a.m., contractors will be paving and raising manholes and valves along NE Winchester Street. During this time frame, one lane will remain open for traffic. On Monday evening, October 5, the north bound lane on NE Winchester will be closed. On Tuesday evening, October 6, the south bound lane will be closed.

Traffic impacts are projected to be minimal. Due to the nature and timing of the work being conducted, nearby residents may experience higher than normal noise levels. The City would like to thank these residents for their patience and understanding during this part of the pavement rehabilitation project.

For updates on the project, please follow the City's social media channels, Facebook and Nextdoor, and visit the City's website [www.CityofRoseburg.org](http://www.CityofRoseburg.org).

For more information, please contact our Public Works Department by calling 541-492-6730 or emailing [pwd@cityofroseburg.org](mailto:pwd@cityofroseburg.org).
