Inspection Work at Stewart Park Pavilion October 26 - 27, 2020

Roseburg OR – Contractors through the City of Roseburg will be performing inspection work at the Stewart Park Pavilion on Monday, October 26, and Tuesday, October 27, 2020. During that time, the playground and pavilion will be closed to the public.

Contractors will be performing inspections of the Pavilion roof structure. This is to ensure that the roof removal process goes smoothly, and that the Pavilion roof upgrade can be installed successfully. Signs will be posted prior to the start of the inspection, and the area will be closed to park patrons while the work is being done.

The Stewart Park Pavilion is scheduled to receive upgrades in the following weeks, which includes the installation of a new roof. More information about the upgrades will be sent out in the coming week. Please be sure to check the City's website, www.CityofRoseburg.org, and social media channels, Facebook and Nextdoor, for updates on this project.

For more information, please contact the City Public Works Department at pwd@cityofroseburg.org or 541-492-6730.
